thought the tee prizes could have been better, communication about the food wasn't accurate, and would really like to start early morning and avoid heat and weather.
Two suggestions. Have only one gift with LT logo Have the T times for late Sat group be late Sunday. That way a long afternoon because of delays doesnt lead to short night into Sunday.
It was a great time
My guest said this event was Top 3 all time sporting event for him (I think 1 was attending Masters). He loved it and cant wait for next year. With everything running long Im hoping tee
This was my first Lone Tree Member Guest so I have little basis for my comments other than other like events I have been a part of. I know that all of you worked very hard and thank you.
When you have a shotgun start it's Very hard to get on the driving range. The driving range should be shut down to just the member guest participants.
Selection of tees for teams should be consistent for the flight. I noticed several folks who should have been BLUE Tees playing Orange for the MG. Hole 17 makes a huge difference with a 9-hole match. Other than that, the tournament is an awesome event.
Obviously I am biased here. But would love to have the decision makers that decide on the tee prizes meet with BBIG on unique and custom merchandise. The clubs weve done all over the world including Castle Pines Golf Club, Cherry Hills, Abu Dhabi, etc. all have given very positive reviews and have used us for years.
Well done on the tourney. A lot goes into it from a resource standpoint and the volunteering hours.
Go back to quota format
I liked the old calcutta
I would expect fair and reasonable pin placements (i.e., hole 8 on Saturday was not fair). Consider reducing handicap limits between partners.
I think it was very well run and my partner had a great time, so appreciate everything Small items like checking the actual hole cuts before the round starts (yes, 8 on Saturday) I'm sure have already been brought up. Also, I heard several comments on the gift bags, not from me or my partner, but just folks wishing there was a garment or even sunglasses like last year. I'm also an advocate for switching dates between MG and MM, for more reliable weather. Overall, great job to everyone and thanks for the hard (volunteer nonetheless) work And thanks to Bill and his staff, as
Great event this year and I was glad to be a part of it. My out of state guest loved the course and our club He said he cannot wait to return
I loved the event. Dont change a thing, except Colin needs to go. Too much demand of our club, and someone who plays in one tournament. Maybe a different topic altogether, but it's raised. Only hiccup was the miscommunication of Sunday late shotgun, and Bill starting times too early. Easy fix. Love what all board members did to make this event a success.
Day money - is just extra money for winners, not necessary. Increase payout instead. Member and Guest tees should play from same tee unless rule 75 comes into play. HCP limits should be reduce to 10 strokes. I think we should talk about shootout there are other options to reduce the time spent. I think the shotgun worked well for all tee times. Last thing, I think we should have a M/G committee that includes other members not just BOD members. That way you get more people helping, new fresh ideas, and memberships feels like they are involved more.
Thanks to all the board members for the large amount of work they put into making the tournament
Think guest should play from same tees as member. Think split in handicaps shouldnt be as much. Maybe 6 Not as much socializing this year which o am sad about. Not sure how to fix. Still like Calcutta if legal. Horse race great but chips off should be alternate player. Or last putt then next guy. In our flight 14

Comes from a spot of personal angst, ha. Potentially consider making the second tiebreaker coming out of pool play overall match W-L record. In a 3 way tie, it was a little tough to go 4-1 and not advance against two teams that went 3-2.

Totally jaded view, but wanted to submit We had a great overall time and it was extremely well

I applaud you guys I. EXCELLENT

Would like to see tee prizes less and maybe a donation to Food Bank or Junior Golf or Folds of Honor or We all have everything golf wise so a hat or balls and a donation/aligning with a charity seems to make sense. Well run. As usual, food is nothing special but that's Lone Tree...

Thanks to the organizers Well done.

The best "Goodie Bag" we've had in recent years was the option to pick out a Footjoy shirt with the Member Guest Logo. I will strongly recommend we go back to that.

Very well-run event and thanks to everyone that made it happen

The one disappointment was playing at opposite times of the day with other friends. I would have rather teed off all together and ended together even if that extended the round. Felt like we played 18 holes instead of getting to celebrate as a group. Also I would have rather seen a different gift than the club head cover. Many buy covers for personal reasons so I would have rather seen branded attire or something of that nature. Outside of that you guys did a fantastic job and I

GREAT JOB IN ALL RESPECTS CONGRATULATIONS

although we have had many great prizes in past years, I think LT should consider foregoing tee prizes and contribute the value of the prize to charity.

It appeared that folk were not understanding the match play format so all 4 players were always putting out resulting in slower play than necessary.

Consider winning a point for match victory. Overall had a blast

Sunday tee times were shown as two different times (1100 and 1130). More communication is needed. Otherwise it was a great event.

Great job as usual Love the matchplay format

One small piece of constructive feedback is that the gift bag was a little disappointing. should always have a piece of apparel - e.g. a hat or a shirt I am not sure I would use anything from this year and heard a few similar comments.

I prefer shirts/jackets for giveaways as headcovers and tee bags I have abundance of and don't use. Towel was nice. I'd like an option to include drinks as part of tourney rather than having to pay individually. Maybe that's just too hard at a public club but I'd be willing to pay a premium for that.
