

**NOTICE TO COMPETITORS**  
**TOC / ISP**  
**September 11, 2022**

**Tournament Format:** This is two tournaments in one. One tournament is net stroke play for the 16 TOC finalists. The other tournament is a typical flighted ISP for everyone else.

**Rules of Golf:** We adhere to the USGA rules of golf in all tournaments.

**Scoring Rules:** **Flight 8 only: Max Gross Quad**

1. We will use the optional drop areas on holes 6 and 12 if your ball goes into the penalty area on your **second or subsequent shots**.

2. **Scorecard Completion Rule:** It is a condition of the competition that each player ensure the accuracy of his hole-by-hole score in Golf Genius no later than 30 minutes after the conclusion of play. **No excuses will be accepted.** You can check with your scorekeeper, you can consult the leaderboard, or you can review the automated Golf Genius e-mail you will receive after each round. Once the round is closed out, you will be deemed to have signed your Golf Genius digital scorecard. **At that point, if GG reflects a higher score than what you actually made on a hole, you get the higher hole score. If GG reflects a lower hole score than what you actually made, you will be disqualified.**

3. If a ruling is in doubt, play two balls from the point of the rule question for the hole and the question should be referred a board member (via email – Paul Pronsati [pp925847@yahoo.com](mailto:pp925847@yahoo.com) , Mark Gunther [mgunther@hrcaonline.org](mailto:mgunther@hrcaonline.org) , or Mike Anderson [mymikea3@gmail.com](mailto:mymikea3@gmail.com) ) at the completion of the round to obtain a decision. We want to reduce face to face meetings during or after the round. Do not waste time trying to look up rules on your phone during the round.

**Pace of Play:** Punch your scorecard immediately after completing holes 9 & 18. Failure to turn in a time-stamped scorecard may result in a two stroke penalty. You can reconcile scores after you punch your card. You must play the front 9 in 2:15 (or 15 minutes behind the group in front of you) and the back 9 in 2:20 (or 15 minutes of the group in front of you). **Slow play penalty is one stroke per nine holes. Do not send your representative to stamp your card until all players have puttied out on 9/18. If you get caught doing that, it's the same one stroke penalty as being late.**

**Payout Schedule**

ISP: Flights 1,2&8: 3 gross/net; Flights 3 thru 7: 6 net;

TOC: 8 Net based on cumulative point totals

**Day points for the TOC (1 thru 8):** 600/540/480/420/360/300/240/180
