

### **Ken Strickler**

Hi, I'm Ken Strickler, and I'm running for a position on the Lone Tree Men's Golf Club Board of Directors. As a member of the men's club for six years, I am passionate about maintaining our position as the best men's club in Colorado. I believe the game should be fun, fair, and fast for all members.

In my professional life, I'm the President and CEO of Trautman and Shreve, a commercial construction company here in Denver. With over two decades in leadership roles, including Chief Operations Officer and Vice President, I have extensive experience in strategic planning and operational excellence. I'm confident that these skills will be a valuable asset to our board and will help ensure the club's long-term success. On a personal note, I love to golf with my sons and the fellas in the club. This passion for the game, combined with my long-standing membership, drives my commitment to our club and its community.

If elected, I will use my professional experience to benefit the Lone Tree Men's Golf Club. My vision is to create a more vibrant golf community by focusing on collaboration and sound financial management, all while promoting a culture where the game is truly fun, fair, and fast for everyone. I'm confident that my dedication and experience will help our club become a more prosperous and enjoyable place for all members.

### **Shawn Brown**

I have been a member of the Lone Tree Men's Golf Club since 2001. I have served our membership on the Board of Directors since 2013 and I have enjoyed every minute of my time and would like to continue serving on the Board. During my time on the BOD I have served as President (3 times), Vice President, Communications Director and Social Director. Also, over the last 10 years, I have been Match Play chairman. Over those years Match Play has grown to be one of the largest events for the club and we've increased cash payouts year over year. One reason we get to play competitive golf in one of the best men's clubs in Colorado is because of the 12 volunteer board members. If re-elected to the Board I will continue to serve the LTMGC membership by promoting fair and competitive golf tournaments, continue growing Match Play and provide timely and clear communications to the club. Thank you, I appreciate your support and vote.

### **Mike Lynch**

Dear Lone Tree Men's Golf Club Members, I, Michael Lynch, am excited to run for another term on the LTMGC BOD for the 2026/27 seasons. Since coming back to the board in 2021 for my second term, I've been lucky to work side by side with great folks like Mike Morong. Together, we have worked hard to improve the overall experience for the entire club. We've put a lot of effort into the Memorial tournament, making sure it truly honors the men who

paved the success of LTMGC and left a lasting mark. With help from BBIG Designs, we raised money to create a Memorial trophy that now hangs proudly in the Lone Tree Grill—a symbol of our gratitude and respect. Over the past couple of years, we have also made several enhancements to the Lone Tree Cup and after rebranding the Member/Guest event as The Gunslinger, we have brought renewed excitement and prestige to both of these important tournaments. Our goal is to make LTMGC, even as a public course, feel as special as any top private club around. There's still plenty to do, and if you give me your vote for another two years, I promise to keep pushing to make our events and the entire LTMGC experience the best it can be. I want our club to stay one of the top Men's Golf organizations in the Denver Metro area, and I'm ready to work hard to make that happen. I'd be honored to keep serving on the board and would truly appreciate your support.

### **Jeremy Schwab**

I am submitting my name for consideration for the upcoming LTMGC board election. I have been a member of the club for the last 8 years. I have been married to my wife Shelby for 24+ years, I have 4 children, Olivia and her husband Ethan, Bailey and Hunter.

I am the General Manager of the Security Division for LINX, a national low voltage integrator based in Denver working in the construction industry serving many of the major entities in our community.

Over the past several years I have been blessed to be a part of this men's club. Being able to do something competitive again and challenge myself has been therapeutic, and the friendships I have built mean the world to me. I am truly honored to be part of this club.

My parents taught me from a very young age that it is important to serve in your chosen communities. And that is my primary motivation for wanting to be a part of the LTMGC board. This group means a lot to me and I would like to give back and serve our men's club and offer my perspective, high energy, passion and creativity.

I would be honored at the opportunity to serve you all and continue our tradition of excellence.

I appreciate your consideration and look forward to another stellar season of golf.

### **Mike Morong**

I am requesting your vote for the next two year term (2026-2028) on the LTMGC Board of Directors.

I am beginning my 31st year in the men's club. That commitment indicates my willingness to continue making this the best club in Colorado. I've served on the board now for 16 total years and am looking forward to continuing to support our membership for another two years. Having held positions from club president to communications. It was my honor to be elected to the Hall of Fame in 2024. Most recently, I have been a co-chair with Mike Lynch for the newly created LTC (Lone Tree Cup) to the revised Member/Guest, "The Gunslinger" to help make it the largest tournament ever held by the club for our members and their guests. Also helped to honor our past members with the new Memorial Plaque proudly displayed at the club. My goal is to continue growing the club for its members well into the future.

Thank you for your continued support and I look forward to serving you for the next two years!

### **Tom Coffey**

Tom Coffey has been a member of the Lone Tree Men's Club for five years now and has been a member in good standing during that time period. Tom is also a LTMGC sponsor.

Tom has been married to Rebecca K. Coffey for thirty two years and they share three wonderful children and six grandchildren. Tom is a 1965 graduate of Eastern Kentucky and also holds a Masters in Business Administration and an Honorary Doctorate of Humanities. He has also completed studies at Yale University.

Tom spent his business career in the insurance, financial services and securities industry and led the Lincoln National Regional office in Kentucky and Tennessee for thirty years before he retired.

Tom continued to consult after he retired but now enjoys family, friends, community engagement, and golf.

The LTMGC is an integral part of Tom's life in Colorado and he would enjoy serving the membership as a Board member. Tom is also a member of the Member Guest Committee.

Tom Believes that life is not a spectator sport. One must enter the arena to engage and ultimately achieve.

### **Greg Lackey**

I'm Greg Lackey, and I've proudly served on the board for the past decade, with a focus on membership. During my time, the Lone Tree Men's Club has solidified its reputation as one of the top men's clubs in the area, evidenced by strong demand and minimal membership

turnover. I'm seeking re-election for another two-year term and would be honored to continue serving you in this role.

**Mark Gunther**

I have been in the Lone Tree Men's Golf Club off and on for over 20 years and have served on the Board for the last four (4) years. I have enjoyed my time on the Board and enjoy serving the membership, most recently as your president. I believe it is important to have Board members that support the Membership, can work directly with the golf course and staff to maintain relationships and offer a balance with competitive tournaments and social interaction amongst the Members. I truly believe that we have the best men's club in the state and would like to continue to assist the current Board members in this goal. Thank you.
