

ARTICLE III - BOARD OF DIRECTORS

Section 1:

The Board of Directors (Board of Directors) consists of twelve Tournament Members.

Section 2:

- a) Solicitation for candidates for election to the Board of Directors for a two-year term shall be made by e-mail or other appropriate form of Tournament Member notification from the Communications Chairman on behalf of the Vice President no later than September 15th of each year and shall remain open until at least September 30th; however, in the event of unforeseen circumstances, those dates may be modified provided that the Solicitation shall remain open for at least ten (10) days.
- b) The Vice President, as chairman of the nominating committee, will provide a list of candidates to the Board of Directors for approval. The approved list of candidates will be presented to the Tournament Members for voting either at the Annual Membership Meeting or via electronic ballot using any electronic method deemed acceptable by the Vice President and the Board and reasonably available to the Tournament Members, all at the sole and exclusive discretion of the Board of Directors. Electronic balloting shall remain open for not less than 10 days and must be concluded at or prior to the Annual Membership Meeting, whenever it may be convened. If the approved list of candidates is presented to the Tournament Members at the Annual Membership Meeting, nominations also will be accepted from the floor. Each Tournament Member shall be allowed to vote once and only once for up to six candidates or as otherwise provided by the Board of Directors.
- c) Candidates receiving the highest number of votes from Tournament Members casting votes will be elected to fill available Board vacancies. Ties will be resolved in the sole discretion of the outgoing President, or in his absence, the presiding Director in rank order as provided below. If the outgoing President is involved in a tie, that tie will be resolved at the sole discretion of the next highest-ranking Director in rank order as provided below.
- d) Any Director vacancy that occurs between Annual Membership Meetings may be filled by a majority vote of Directors at a Regular Board Meeting. Directors so selected serve for the balance of the outgoing Director's term.
