

LTMGC 2026 Side Pots

2026 Side-Pots

In 2026, we will again be offering **cashless** side pots for most of our ISP events. The side pots will include skins games for most of our regular ISP events, the Club Championship Ringer Pool, and the Club Championship Senior Pool (for those who are eligible, i.e. born in 1960 or earlier). ***Side pots for the Member-Guest, Member-Member and other team events are NOT covered in this program.***

Participation is subject to the following:

1. You will be required to pay a \$145 **deposit** via Zelle at the beginning of the season to cover the cost of the side-pots. This is strictly a deposit. At the end of the season, you will receive your deposit back plus any side-pot winnings less the cost of the side-pots for the rounds in which you played.
2. We maintain and publish a side-pot ledger showing the balance in your account, including any charges and net winnings. Each time you play in an event with a side pot, your account will be Charged the cost of the side pot(s). The cost of the skins games, which are the most common side pot, is \$10 per round.
3. **For each event that you play**, if there is a side pot for that tournament, then you are in. You will not be able to opt out of the side-pots if you are playing in the tournament. **You are not charged for events when you don't play (except if you sign up and cancel after pairings go out).**
4. Whatever you win from the side pot(s) will be credited to your account. Your winnings are posted to the leaderboard just like the main tournament results.
5. You can withdraw from participation in the side pots at any time during the season. However, this election can be made only once. If you withdraw, you are done for the season and the balance in your account will be returned to you.
6. At the end of the season, we will publish a final report of everyone's account balance and the supporting detail, and you can request your balance via Zelle.

We will publish the side-pot ledger on the league portal throughout the year which will show your account balance and the supporting details.

If you want to participate, please pay your deposit no later than March 31. You can send your deposit to:

Zelle: treasurer@ltmgc.com.

If you want to get in but absolutely can't pay by Zelle, please mail a check (payable to LTMGC) to:

LTMGC c/o Dean Asselborn
8197 S. Wabash Ct.
Centennial, CO 80112

We will allow players to join the side-pot game after March 31. However, the deposit is the same. In that case, you are obviously only eligible for tournaments after the date we receive your deposit.
