

No Show and Late Cancellations Rules

No Show and Late Cancellation Rules

Each tournament takes a great deal of effort to plan and organize each event from the tournament chairman.

The 1st notice for a tournament will be sent 21 days before the tournament, and then another reminder notice will be sent 14 days before the tournament. The final reminder will be the deadline for sign-up that is sent TEN (10) DAYS before THE TOURNAMENT, and you must sign up by 6:00 PM that evening.

Cancellations will be allowed until 6:00 PM 4 days before the tournament date by notifying the Tournament Chairman via email. No shows & late cancellations will be penalized strokes, and the penalties will be progressive with each violation. The penalty will be doubled for team events, and all penalties will apply to the next individual event the player enters.

EXAMPLE:

If a tournament is on a Saturday and you wish to participate, you must sign up as stated above, before 6:00 PM 10 days before the tournament. Cancellations would need to be made before Wednesday.

Penalty for No Show

Once the pairings are posted and you cancel the following penalties will be applied.

- 1. Everyone gets one freebee**
- 2. 2nd one, 2 stroke penalty in next individual event**
- 3. 3rd one, 4 stroke penalty in next Individual event**

EXCEPTIONS TO POLICY - If a player must withdraw from a tournament due to a family emergency or circumstances which are not reasonably within their control, the penalty may be waived. If a player scheduled to play in an individual event shows at the golf course tee time and must withdraw, the penalty may be waived. The Tournament Chairman will evaluate all such cases on the specific facts of the withdrawal.
